# VITALII VELYCHKO

## FRONT-END DEVELOPER  React

## PROFILE

Energetic developer with enthusiasm for creating project logic. I have the experience of a private entrepreneur. Interested in developing and improving own programming skills. Ready to work in the office in Lutsk, or remotely.

## PERSONAL QUALITIES

- Conscientious worker
- I strive for perfection
- Not conflicting
- I easily go to contact
- Determined to solve problems
- Do not depend on stabilizing power outages :D

## LANGUAGES:

- Native language is Ukrainian
- English: level of reading technical documentation
